Heard the BUZZZZZ?

Mosquitoes are more than a nuisance, they can also carry diseases that can infect you and your family. Report Mosquito Problems to:

Consolidated Mosquito Abatement District at
559-896-1085 or www.mosquitobuzz.net.

Please visit their website for more information regarding Mosquito-Borne diseases, mosquitoes in our area, green pools, and how to protect your family and home.

The District provides mosquito control services at no cost to residents.

UPCOMING CONSTRUCTION PROJECT

The City of Sanger has awarded a construction contract for the Southeast Sanger Sidewalk Project, which will construct sidewalks, curb ramps, and associated pedestrian improvements in an area roughly bounded by Annadale Avenue, Faller Avenue, North Avenue and K Street, as seen in the map shown below.

The project, which is funded by federal Congestion Mitigation and Air Quality Improvements (CMAQ) funding, will build an accessible pedestrian route on at least one side of the street for each block shown in the map. Construction is expected to begin in September 2017 and be completed by the end of the year.

Motorists and pedestrians should be aware of the construction and exercise caution in the area.
